STEP 6: ACCOUNT TERMS AND CONDITIONS.

A. TRANSFER ON DEATH. All property held in the Account will be held by TradeStation Securities, Inc. in "transfer on death" or "payment on death" form, which will have no effect on the undersigned's ownership of the Account during the lifetime of the undersigned. Upon the death of the undersigned (or in the case of a joint account, upon the death of the survivor of the undersigned), TradeStation will distribute the assets of the Account in the designated beneficiary(ies) listed in Steps 3 and 4 and in accordance with paragraph D below.

B. EFFECT OF TOD REGISTRATION. LIMITED AVAILABILITY. TradeStation makes no representative regarding the legal effect of this Agreement or the registration of the Account in TOD form and disclaims any responsibility for the legal effect (or any failures thereof) resulting from the execution of this Agreement and the establishment and maintenance of the Account. By signing below, the undersigned represents that (s)he is a permanent resident of a jurisdiction that permits securities and securities accounts to be registered in "transfer on death" or "payment on death" form and that (s)he will promptly notify TradeStation when (s)he ceases to be a resident of such a jurisdiction. TOD Accounts must be single name accounts or accounts for two or more natural persons, held as "joint tenants with rights of survivorship" or as "tenants by the entireties." TOD Accounts are not available to non-natural persons or two or more natural persons with a "community property" or "tenants in common" registration.

C. SUITABILITY. By signing below, the undersigned acknowledges that (i) TradeStation has not advised the undersigned as to the suitability of TOD Account, (ii) TradeStation does not provide legal or tax advice and recommends that the undersigned seek the same from a qualified professional prior to establishing a TOD Account, and (iii) as neither this Agreement nor the TOD Account established hereunder constitute or create a trust, TradeStation neither assumes nor owes a fiduciary duty to the undersigned or to any beneficiary hereunder in connection with a TOD Account.

D. DESIGNATION AND CHANGE OF BENEFICIARIES. Beneficiary designations must be in writing and must be received by TradeStation at least five business days prior to a distribution of the Account in order to be effective. Beneficiary designations may be changed, modified, or revoked by any of the undersigned at any time. Subsequent designations automatically revoke prior designations. Changes in the relationship between the undersigned and a designated beneficiary, including but not limited to, subsequent marriage, divorce, remarriage or adoption, will not effect a prior designation. If designated percentages for a class of beneficiaries do not equal 100%, the assets of the Account will be distributed pro-rata among that class of beneficiaries, and if no percentages have been indicated, TradeStation will distribute the assets equally among that class of beneficiaries. If no provision has been made for one or more deceased primary beneficiary's share under Step

5, TradeStation will pay such share to the deceased primary beneficiary's lineal descendants or, in the absence thereof, to the estate of the undersigned or survivor of the undersigned. If no primary or contingent beneficiary designation is in effect for the Account upon the death of the undersigned or the survivor of the undersigned, TradeStation will distribute the assets of the Account to the estate of the undersigned or of the survivor of the undersigned. TradeStation may require such documentation (including, but not limited to death certificates, tax waivers, and affidavits), and take such steps as it deems appropriate prior to distributing the assets of the Account. TradeStation has no obligation to locate beneficiaries and, in its complete discretion, may require legal adjudication of any issue pertaining to the proper distribution or ownership of the assets of the Account, and TradeStation shall be entitled to recover all costs and attorneys' fees incurred in connection therewith.

E. CLEARANCE ACCOUNTS. If TradeStation carries the Account as clearing agent for a broker other than an affiliate of TradeStation, the undersigned acknowledges and agrees that TradeStation shall have no responsibility or liability for any acts or omissions of such broker, its officers, agents or employees. The undersigned further agrees that the undersigned's broker (its agents and employees) are third-party beneficiaries of this Agreement and that the terms and conditions hereof shall be applicable to all matters between or among any of the undersigned, the undersigned's broker, and TradeStation.

F. INDEMNIFICATION. The undersigned, and the estate, heirs, executors, administrators, personal representatives, successors, and assigns of the undersigned agree to release, indemnify and hold TradeStation, its agents, control persons, and affiliates, harmless from and against any and all claims, actions, costs,

and liabilities, including attorneys' fees and expenses, arising from or relating in any way to (i) any misrepresentation made by the undersigned hereunder, (ii) any conflicting beneficiary designation, or any change of beneficiary not received in a timely manner by TradeStation, made by will, trust, or other written instrument, and (iii) any instruction pertaining to the Account received or not received by TradeStation and followed or not followed in good faith.

G. EFFECT OF AGREEMENT AMENDMENT. This Agreement is applicable only to the TOD Account established hereunder and, except to the extent inconsistent therewith, supplements but does not replace the terms and conditions of any other agreements the undersigned may have with TradeStation. TradeStation may modify this Agreement at any time upon prior written notice to the undersigned. By continuing to maintain the Account, the undersigned will have indicated acceptance of any such modification. If the undersigned does not accept such modification, (s)he must notify TradeStation in writing, and the Account may, at TradeStation's discretion, be terminated. This Agreement may not be waived, revoked or modified absent a written instrument signed by an authorized representative of TradeStation.

H. GOVERNING LAW. LEGALLY BINDING. If the undersigned is a United States resident, this Agreement shall be governed by the laws of the state of residence of the undersigned and applicable federal law. If the undersigned is not a United States resident, this Agreement shall be governed by the laws of the State of Florida and applicable United States federal law. This Agreement shall be binding upon the estate, heirs, executors, administrators, personal representatives, successors and assigns of the undersigned.
